Apartment in El Vergel

€1,500,000

5	2	200m²	87,920m²	✔

Rustic property in the municipality of El Verger87,900 m² of land with vegetation, this charming property offers a combination of privacy, nature, and artistic soul. Surrounded by majestic trees and filled with the singing of birds, it is the type of place where peace arises naturally. The main house, distributed over two floors (200 m²), features two spacious terraces perfect for outdoor dining or enjoying quiet mornings with coffee, as well as a beautiful wood-burning fireplace that adds warmth and character to the living space. As an added value, the home belongs to a renowned sculptor; several of his original works remain as part of the property, creating a unique...(Ask for More Details!)
