Enjoy comfort and the Spanish outdoor lifestyle. Are you looking for a modern, recently built, move-in ready home where you can immediately enjoy the sun? This villa in Roldan offers the perfect balance between tranquility and a central location. Because the home is entirely on one level, living here is incredibly practical and low-maintenance. Light, space, and smart details. The home feels wonderfully bright thanks to the open layout. In addition to the living spaces, a practical and efficient layout has been considered; for instance, the laundry room is neatly concealed in a stylish built-in cupboard, creating a sense of calm and order. The current layout offers three bedrooms, with...(Ask for More Details!)
