Exclusive development in a luxurious residential complex right on the beachfront, with direct access to the beach. A paradise located in a select corner of the Costa del Sol, where quality of life ranks the best in the world. Large landscaped areas, large swimming pools and landscaped design. The buildings, of simple forms, have delicately drawn curves. In addition, a spa area and gym where you can take care of your body and your mind. And finally, no cars moving on the surface, always underground, so that the outer spaces are, indeed, for people. The peaceful beachside location in the municipality of Estepona ensures pleasant climate for sunbathing and swimming...(Ask for More Details!)
