Rural plot in Murla, almost flat, with water and electricity nearby A rustic plot is offered located in the municipality of Murla, in a peaceful environment surrounded by nature. The land is almost completely flat, which facilitates any type of agricultural, recreational, or future rural project. It has easy access to water and electricity supplies, which significantly simplifies the possibility of preparing the plot for different activities. Its location allows for privacy while still being close to the villages of Orba and Murla and main communication routes. An ideal option for those seeking a spacious, sunny area with good connections in the heart of the Vall de Pop....(Ask for More Details!)
