Land a Plots in El Vergel

€340,000

0	0	11,900m²	N/A	N/A

Rustic plot with project in the natural environment on the outskirts of both cities of El Vergel and Els Poblets with views of the SegÃ ria mountain range 2 km from the Mediterranean coast. A completely flat plot with a surface area of 11,900 m2 that has a road access through the Partida Busquerons CI-05 road that introduces the user to the large extension of the plot, in which all the adjacent homes are in a distant plane, providing privacy to the home and its immediate surroundings. This remoteness allows you to get the most out of the plot, not only in terms of sunlight and orientation, but also in terms...(Ask for More Details!)
