This charming home stands out for its spacious private plot and a design conceived for year-round enjoyment of the outdoors. The property boasts a private 8 x 4 m swimming pool, several relaxation and leisure areas, an outdoor kitchen with a terrace, a lounge area, a solar shower, a solarium, and a complete independent solar energy system, ideal for those seeking efficiency and autonomy. It also includes a garage, a gym, and a storage room. The house is distributed over two floors plus a solarium. On the ground floor, there are three bedrooms, a renovated bathroom, a fully equipped kitchen, and a utility room with a safe and alarm system....(Ask for More Details!)
