634m²

1,112m²

N/A

Positioned on a prestigious second line to the Mediterranean Sea in the highly coveted neighborhood of Cabo Roig, Orihuela Costa, this substantial coastal estate presents an outstanding residential or investment opportunity. Spanning an expansive 1,112 m² plot with a total built surface of 634 m² (including 473 m² of dedicated living space), this 1977-built villa combines grand dimensions, exceptional privacy, and captivating coastal atmosphere. Designed as two fully independent semi-detached residences, the property features separate street entries, private driveway access from two different roads, two independent garages, a private swimming pool, and easy-maintenance landscaped gardens.
