19 000 square meter plot with a house in Orihuela A rural lot with great potential, ideal for those looking to build their home in a quiet setting with good access. The property is free of encumbrances and already has a structure in progress, with the foundation and framework built according to the planned specifications, presenting an excellent opportunity to continue the construction, complete it, and proceed with its legalization. Currently, the planned home is designed as a single-story structure, offering a perfect foundation for designing a comfortable, functional home tailored to your needs. The lot has water and electricity service, providing a significant advantage for resuming the project without...(Ask for More Details!)
