Some homes you buy for the rooms. This one you buy for breakfast. Morning coffee under the covered terrace, the south-facing garden already warm, and the beach at Mil Palmeras a seven-minute stroll away. This ground-floor home in Residencial ISEO, a modern complex completed in 2023, is bright, calm and well kept. It's ready to live in from the day you collect the keys. Life here is lived outside. There's the shaded terrace for long lunches out of the direct sun, the south-facing rear garden for afternoons in it, and a second garden along the side that gives the home an open,...(Ask for More Details!)
