A 4-bedroom, 3-bathroom villa equipped with a 32-meter swimming pool and a 20-meter adjoining terrace is available in Pedreguer's Monte Solana area. The property sits on an 180-square-meter plot. The villa's construction process typically requires 3-6 months for design and permit acquisition, followed by a 15-month build time after securing the building license. Pedreguer's town hall is known for its swift and efficient handling of such projects compared to neighboring areas. The location offers various plot options, with some providing sea views while others do not. This represents the most cost-effective deal for a villa of this kind, with the builder boasting over 40 years of experience and a portfolio...(Ask for More Details!)
