Firstly, one enters a hall that leads to a spectacular kitchen-dining room, fully equipped with high-end appliances, including an American fridge with ice dispenser. Next you find a spacious living room ideal for enjoying quiet nights, there are three bedrooms distributed on different levels here, offering privacy and comfort, and lastly one finds a bright, spacious and modern bathroom on the middle level. This glorious property also offers a guest bedroom: Accessible from inside the house or via a private entrance, this space has its own living/sleeping area and bathroom. Outside there is an Independent apartment, located 80 meters from the main house, this fully renovated property offers a living/sleeping...(Ask for More Details!)
