Magnificent 562 m² development plot for sale located in one of the areas with the greatest growth projection in Murcia Torreagüera, a district that combines the tranquility of living next to the mountain with the convenience of being just five minutes from the capital. The plot has an excellent urban rating, allowing the construction of a residential building of up to 6 floors, as well as commercial premises. This makes it a unique opportunity for developers and investors, since this area is dominated by chalets and duplexes, which generates a high demand for apartments in multi-family buildings. Privileged location Located at the foot of the mountain, in a highly valued...(Ask for More Details!)
