131m²

143m²

N/A

Located in the heart of Guardamar del Segura, this typical Spanish townhouse offers a great opportunity to create a comfortable home full of Mediterranean character. The property is built on one level and has access to a private roof terrace, as well as an internal patio that brings natural light and extra outdoor space to enjoy all year round. The house has 131 m² built on a 143 m² plot. Inside, it offers four bedrooms, one full bathroom, one guest toilet, a bright living room and a separate kitchen. The property requires renovation, making it ideal for buyers who would like to update it to their own taste while...(Ask for More Details!)
