Great opportunity, flat plot /land southfaced, very close to the sandy beach of La Fustera for sale. This plot of 1350 m² is perfect to build a villa on one floor with all the living accommodation on one level with a separate basement. It is a plot with easy access for the construction of a modern villa. It is a great opportunity to develop a detached house only 5 minutes drive from the beach. This plot is located in an area of luxury villas. Design Villa Moraira can fully manage an individual custom build or investment project with our architect Dalia ALBA and our own construction team....(Ask for More Details!)
