Villa in Pedreguer

€670,000

3	2	160m²	N/A	✔

A 3-bedroom, 2-bathroom villa with a pool, spanning 160 square meters, is available for construction on Monte Solana in Pedreguer. The design and permitting phase typically requires 3 to 6 months. Once the building license is secured, the actual construction can be completed within 15 months or less, a relatively swift timeline in comparison to other local town halls. Monte Solana offers a variety of plot options, including some that feature breathtaking sea views. The experienced builder boasts over 40 years in the industry and has successfully completed more than 2700 villa projects with private swimming pools.
