A 3-bedroom, 2-bathroom villa with a 32m swimming pool and an expansive 20m terrace is available on the serene Monte Solana in Pedreguer. The property sits on a 120m² plot, with the villa's total size being 120m². The timeframe for design and obtaining a building license is typically 3 to 6 months. Once the license is secured, construction takes approximately 15 months or less. You can choose from various plots, with some offering stunning sea views while others do not. This esteemed builder boasts over 40 years of experience and has successfully completed more than 2700 villa projects, each equipped with its own private swimming pool.
