This recently built villa is located in the quiet part of the sought-after Ciudad Quesada. A lively centre that offers everything you need for the perfect holiday or permanent home. Bars, restaurants, shops, specialty shops and so much more are all within easy reach! Its central location also means you are quickly in numerous other towns, places of interest, golf courses, the airport and, of course, the beautiful sandy beaches of the Costa Blanca South! This beautiful property has been built in a combination of modern and Spanish styles and features a spacious garden with parking space for your car, a large terrace and a private swimming pool...(Ask for More Details!)
