291m²

239m²

Newly completed villa for sale in Polop. This villa is distributed over 3 floors and has great potential due to its large garage. The garage is located in the basement floor which can accommodate several cars and also there is the technical room (pool pump, washing machine, etc.). The first floor comprises a living-dining room, an open kitchen, 2 bedrooms with built-in wardrobes, and one of them with an en-suite bathroom. The second floor consists of a bedroom with built-in wardrobes and a bathroom. It features many extras, such as a pool with an automatic chlorinator, a counter-current swimming system, and a cover. Other extras include a 3. 5KW...(Ask for More Details!)
