A unique opportunity to purchase an established SL company that owns freehold land next to Alicante international Airport with a fully operational long-term parking business. This site is the closest you can get to the terminals of Alicante Airport. Due to retirement the current owner is selling this very profitable business. The company has long-term contracts that are automatically paid by bank transfers or Visa. Full detailed accounts are available for the last 10 years and the land is owned outright with no borrowings or mortgages. The parking contracts are recurring and renewed annually. This is a cracking business and an opportunity to acquire a profitable going concern with secure parking...(Ask for More Details!)
