267m²

1,333m²

Spectacular 5 bedroom villa with a truly panoramic view of the Orba valley. This property was built as part of an exclusive development of 14 properties in one of the best locations in the Orba valley. It is a very special property with a feeling of light and space you can only attain by having a property of this size. It benefits from having 2 entrances. At the lower end of the property is a private road leading to a large double garage situated below the large pool terrace. On the upper level there are both car and pedestrian gates leading down to the villa via a magnificent drive...(Ask for More Details!)
