Plot with an active building project and license Excellent investment opportunity. A 7,265 m² plot with an active building project and license since June 2026, allowing for immediate construction without delays or additional procedures. The project includes an elegant two-story house, designed to offer comfort and functionality, featuring a spacious living-dining room with an open-plan kitchen, utility room, storage room, two bedrooms, two full bathrooms, and a guest toilet. The plot enjoys a privileged location, very close to all essential services, such as supermarkets, restaurants, and shops. Additionally, it is only 15 minutes from the beaches and less than 10 minutes by car from the Portal de la Marina Shopping...(Ask for More Details!)
