Village house in the old town. The house is very large inside, it consists of a large entrance then a large living room with fireplace, 4 bedrooms that communicate with an interior staircase, 1 bathroom, a spacious and bright kitchen that has access to a large very sunny patio where a pool could be made and at the back there is a small terrace with fruit trees and that is You could make a small vegetable garden to grow your own vegetables and vegetables. It needs a comprehensive refurbishment. It has great potential.
