Luxury Villa Under Construction in Moraira, Costa Blanca This exclusive villa seamlessly combines functionality with exquisite contemporary design. Perched on a hilltop, it offers panoramic views of the surrounding landscape and an exceptional connection to the outdoors. On the ground floor, a spacious open-plan layout integrates the living and dining areas, flowing naturally to the exterior terraces. The large porch opens onto the pool and views, while a more intimate pergola at the back provides a cozy retreat. Bedrooms on this level are designed to maximize natural light, with two opening towards the east and the main suite towards the west. The upper floor is dedicated entirely to the master...(Ask for More Details!)
