Renovated Village House â€“ Ready to Move InCharming renovated village house with 2 bedrooms and a full bathroom, ideal as a permanent home, holiday property or second residence. The property benefits from heating and a fully fitted kitchen, providing all the essentials for comfortable living. The house has been unoccupied for several years, so it would benefit from a thorough clean, some painting and a little redecoration to bring it back to life and make it feel like home. However, the main renovation work has already been carried out, meaning no major renovation is required. A great opportunity for anyone looking for a traditional village property that...(Ask for More Details!)
