The western area of Estepona is undoubtedly the area where the most outstanding projects of the moment are concentrated. New infrastructure flourish every day to endow this area with a spectacular future: schools, hospitals, shopping centres, sailing clubs and golf courses. Is a reality to play on a new golf course, designed by Sterling & Martin and built by GTM. The complex has 18 holes PAR 71. Its noble design, with spectacular views of the Mediterranean Sea and Sierra Bermeja and its soft and fun shaping make an idyllic place where tranquility is its hallmark. This is a residential complex composed of 45 detached and semi-detached villas in a unique...(Ask for More Details!)
