Charming Village House with Character, Spacious Interiors and Great PotentialDiscover this charming village house, a solid and well-built property that combines traditional character with sound, modern construction, free from old-fashioned timber structures. The house offers generous living spaces, including a spacious living and dining room with a cosy fireplace, perfect for relaxing and entertaining. The kitchen has been recently renovated, adding comfort and practicality to the home. There are three generously sized bedrooms, a lovely large terrace ideal for outdoor dining and enjoying the sunshine, and a spacious attic with endless possibilities. This versatile space could become an additional bedroom, a home office, a leisure area or whatever...(Ask for More Details!)
