We present Villas San Juan, a high-end boutique residential development located in San Juan de los Terreros, one of the most sought-after areas on the Almería coast, renowned for its natural surroundings, crystal-clear beaches, and a relaxed yet sophisticated Mediterranean lifestyle. ~The project has been conceived under a premium and contemporary concept, where modern architecture blends seamlessly with natural materials, elegant lines, and carefully landscaped greenery, creating the atmosphere of a private resort. Each home has been designed to offer spaciousness, privacy, and a seamless connection between indoor and outdoor living, prioritizing natural light and comfort. ~The villas feature generous and perfectly distributed interior spaces,
