120m²

361m²

An exclusive residential area located in Polop. Homes with 2 and 3 bedrooms featuring a solarium and incredible views of the sea and mountains. This new residential complex is designed so that all homes have the same orientation, allowing all residents to enjoy a panoramic view of the sea and mountains. Additionally, the large windows ensure that you can seamlessly connect the interior and exterior, making the landscape part of your home and allowing light to reach every corner. Choose from homes with 2 or 3 bedrooms, with various typologies so you can find the property that best suits you.
