Location is key â€” everything else is flexible! This phrase truly applies to this villa with great potential and spectacular sea views, located in Las Rotas, the most exclusive area of D nia. The villa sits on a fenced plot of 1,540â€m² in a privileged natural setting: at the back, it's surrounded by pine trees that provide privacy and freshness; at the front, it opens up to dreamy sea views. Outdoors, the property features landscaped garden areas, parking space for several vehicles â€” including a closed garage at street level â€” a large swimming pool located in the most private part of the plot, and a tennis court. The home is...(Ask for More Details!)
