Land a Plots in Yecla

€380,000

0	0	200m²	524,300m²	N/A

A rare opportunity to acquire 52 hectares of compact, easily accessible land in a privileged location between Yecla and Jumilla. With direct access from the main road, breathtaking mountain views, complete privacy, and exceptional tranquillity, this is a property with outstanding potential. The estate offers multiple development possibilities, including: â€¢ Renewable energy opportunity â€“ Located close to an existing photovoltaic power plant, with the potential for an easy grid connection for a solar project. â€¢ Development potential â€“ The land can be divided into several building plots, each enjoying uninterrupted views and remarkable privacy. An exceptional setting for exclusive country homes. â€¢ Restoration project â€“ Includes 7 traditional country houses,...(Ask
