Experience the Authentic Charm of Vall de Laguart! In the heart of one of the most beautiful valleys in Marina Alta lies this charming fully renovated village house, where traditional character blends seamlessly with modern comfort and exquisite attention to detail. The property, with great potential for vacation or residential use, offers remarkable versatility: it can be enjoyed as a single residence or divided into two independent homes, thanks to two separate entrances from different streets. A perfect option for both family living and investment. With approximately 230 m² built over three floors, the house impresses with its spacious and well-designed layout. The ground floor features a cozy bedroom with an...(Ask for More Details!)
