300m²

1,800m²

Villa Cocotera is a large property on an exclusive development with all mains services, close to amenities and only 2kms to the village of Periana. The plot is 1,800m² and is fully secure with a gated entrance and a long driveway for several cars. The gardens are designed for easy maintenance and the palm trees and plants are well established. There is a garage and storage area for 3 to 4 cars and also a room with all of the workings for the house including the boiler, pump for the pool, AC units etc. The pool is 10 meters long and there is lots of terracing with parasols and...(Ask for More Details!)
