Spacious villa on a flat plot with privacy located in the attractive area of Santa Lucia near the center of Denia, schools and beaches. The two-story villa plus a 100 m2 apartment in the basement was built in 1992 by its owner, a quantity surveyor. High-quality finishes such as marble or slate floors and marble bathrooms and meticulous design provide comfort and well-being. The heart of the villa is an impressive high-ceiling entrance with its panoramic and tinted windows from which a modern staircase ascends to the open-plan attic. It also divides the common areas from the bedrooms. The spacious living-dining room sports a decorative central fireplace, the kitchen is...(Ask for More Details!)
