A well maintained first floor apartment located in a private gated community. The apartment is on the first floor which gives the benefit of a private roof solarium for all day sunshine and a great entertaining area. It is in good general condition with built in wardrobes in both bedrooms and the bathroom has been modernised with a walk-in shower. Enter the property through the front door and into the living/dining room with adjoining kitchen. From the salon you have access to the two double bedrooms and the bathroom. Also patio doors lead to the balcony and stairs up to the private roof solarium. The secure community is well maintained...(Ask for More Details!)
