113m²

407m²

PROJECT. Villa with a minimalist and rustic design at the same time in the small village of Tormos, Alicante. It is a construction project for a beautiful villa that is constructed with concrete structure with natural stone walls on a completely flat plot of 407 m2. On its façade, its spectacular covered porch stands out, made with a single piece of concrete that is supported only by one pillar . The house has a total 113 m2 built and distributed living room, kitchen, covered porch, 2 bedrooms, one with en suite, and a guest shower room. The price also includes an 9 x 3 swimming pool with lights and built-in...(Ask for More Details!)
