Blue Gardens Apartments – New-build/Refurbished, just 300 m from the Seafront and Beach in Jávea. Blue Gardens is a contemporary-style residential complex, located in a quiet area with excellent connections, close to all services and amenities. It consists of three residential blocks originally built in 2008, which have now been completely renovated. In total, there are 27 homes distributed across four stairwells, each with a lift providing access to the underground garage, and four floors, with duplex apartments on the third and fourth levels. All homes offer a usable living area of approximately 100 m² (excluding terraces), three bedrooms, two bathrooms, and private outdoor spaces. They are designed with an open-plan...
