Luxury villa with seaview for sale in Calpe. Â This new villa from 2013 was built according to German standards, i. e. with insulation inside the exterior walls and ceiling, giving a pleasant atmosphere both in summer and winter. The villa has 2 identical apartments (which could be connected to an interior staircase), each with living and dining room, open kitchens, 2 bedrooms and 2 bathrooms. It has air conditioning, terraces and a roof terrace/solarium with the most magnificent sea view imaginable. At street levelÂ is a garage for 3 cars and the access leads to the house. The garden is easy to maintain, and the windows are made...(Ask for More Details!)
