210m²

1,400m²

Project Description This stunning new build project is located in the coveted area of Pedreguer-La Sella, in the beautiful province of Alicante. Designed to embrace the Mediterranean lifestyle, the property stands out for its spacious areas and exquisite natural lighting, perfect for those seeking a warm retreat in a privileged setting. **Interior Spaces** With a total of 210 m² built, the villa features three cozy bedrooms, ideal for rest and tranquility. The two thoughtfully designed bathrooms offer convenience and access to the shared spaces of the home. The open kitchen elegantly integrates with the living room, creating an ideal environment for sharing moments with family and friends. Additionally, the ducted heating...(Ask for More Details!)
