Contemporary Villa with Distinctive Architecture Near La Sella Golf Course Light, transparency and a close connection with nature define this contemporary villa with its distinctive design. It has been conceived to offer a lifestyle in which indoor spaces and the surrounding landscape blend together in perfect harmony. Floor-to-ceiling windows allow natural light to flood every room while framing views of the landscape, creating an exceptional sense of space, tranquillity and openness to the outdoors. Construction is due to begin shortly in the eastern part of Residencial La Sella, just a short distance from the golf course. Set towards the rear of the plot, the villa enjoys views over landscaped gardens...(Ask for More Details!)
