Located on the fifth floor of Tower 1 of the JADE residential complex, flat 15B offers 3 bedrooms and 2 bathrooms with spacious, bright spaces with a modern and functional layout. The house has a private terrace, underground garage space and storage room, all included in the price. The building is under construction, with delivery scheduled for the first quarter of 2027, which makes it possible to secure a completely new home in a few years. JADE is an exclusive new construction project, just 200 meters from Playa del Arenal, with first-class common areas: Two pools (one with beach-style entrance) Padel court Full gym Hot tubs Garden areas Children's areaA...(Ask for More Details!)
