Come and discover this spectacular residential complex with its 2 and 3 home apartments available. It is in the development phase, but you can see in the images the design that advocates elegance, safety and fun that living in a unique area of the Costa Blanca, such as Calpe, can provide. With sea views, these apartments have everything you need. Equipped kitchen, some of them include solarium; and in the common areas you can enjoy the Infinity pool with sea views, as well as green areas, playgrounds, gym, co-working areas for meetings. Endless activities, without forgetting that tranquility, to which you can aspire in this wonderful dream place. The price...(Ask for More Details!)
