258m²

1,350m²

Modern new build villa near La Fustera beach in Benissa for sale This modern villa has a built area of 258m² on the coast of Benissa La Fustera, with large windows offering views of a spacious terrace with an infinity pool. The façade features clean, minimalist lines, combining materials such as light wood and natural stone, giving it a warm and inviting touch. Upon entering, you are welcomed by an open, bright space where the living room connects with the kitchen and dining area. You will also find a laundry room and a guest toilet. Outside, there is a large terrace with an infinity pool. A summer kitchen...(Ask for More Details!)
