Spacious villa situated on a flat and sunny plot with complete privacy in the appealing area of Santa Lucia close to Denia's city centre, schools and beaches. The villa on two floors plus a 100 m² apartment in the basement was built in 1992 by his owner, a building surveyor. High-quality finishes, as marble or slate flooring, marble bathrooms, and a meticulous design provide comfort and wellbeing. Centre of the villa is the high ceiled entryway with its triple, dark tinted panoramic panels and modern staircase connecting the ground floor with the open plan attic. To one side it leads to the large living-dining room with its central fire place,...(Ask for More Details!)
