Villa in Benissa

€2,300,000

4	0	267m²	1,448m²	N/A

directly from the owner This modern and luxury newly built villa with unbeatable panoramic sea views will be sold directly from the owner. The south-east facing villa is located in a very private and quiet area with impressive sea views. The plot borders a forest area. It is just 5 minutes by car from the sandy beach La Fustera. This luxury newly constructed villa is equipped with high-quality finishes, an elevator, underfloor heating, air conditioning, a swimming pool, etc. Contact us and we will send you our construction details. The villa is designed by the wel-known architect Dalia ALBA. At this moment, we can still customize some details...(Ask for More Details!)
