If you are looking for real space in the center of Torrevieja, this is not an apartment! it is a house in height. 145m² where each room breathes spaciousness, with an open terrace and everything within walking distance: beach, services, and urban life. A difficult opportunity to repeat, large 3-bedroom apartment where one is en suite, 2 full bathrooms, independent living room with access to the front terrace that overlooks the Hermitage, side view of the sea and the park. Independent kitchen where you can enjoy family time as it is huge with its gallery and back terrace. Located on the third floor with an elevator and being unique on...(Ask for More Details!)
