For sale in Binissalem the historic manor house Can BiscaÃ-. Located on Calle de la Goleta in the urban nucleus of or the original settlement of the village of Binissalem which dates as far back as the Arabia settlement of the island. The surrounding properties Can JuliÃ , Can Carreter, and Can Garrover share the same status as significant samples of the cultural and historical heritage of the village of Binissalem. Can BiscaÃ- probably dates to the medieval period, but the first record is dated to 1678, what remains of the original construction retains many of the architectural features of manor houses in the village, including impressive arches and the traditional...(Ask for More Details!)
