Flat of enormous dimensions: almost 140 m² built. With front terrace facing the sea (you can even see a bit of blue) in the heart of the vital artery of the city: Ramón Gallud street. This is the area with the greatest potential for future revaluation. And the house is a jewel. Few are left like this. For its square living room of more than 30 m². Its 3 bright and spacious bedrooms. The perfect distribution with large terrace in the living room and large terrace in the other part of the building in the kitchen. Closed as a gallery and with unobstructed views. The facade of the building has...(Ask for More Details!)
