INTRODUCTIONA home designed to blend contemporary luxury, nature, and conscious, sustainable living. Located in one of the most established and prestigious areas of Balcón al Mar—where new developments are virtually non-existent—we present a project that is an absolute rarity. The villa is being built on a double, nearly 2,150 m² completely flat plot, a unique phenomenon in the hilly terrain of Jávea. This configuration allows for a true estate: a sprawling garden with mature palms and lush vegetation that feels like it has been growing here for a decade, offering a "finished garden" atmosphere from day one. 1.
