Villa in Moraira

€1,600,000

5	3	367m²	1,973m²	✔

Great villa in the privileged area of Moraira, Pla del Mar / El Portet, within walking distance to the beach and the center. This Mediterranean-style villa has a lot of potential. The standout feature is the tennis court which has 830 m2. It is a separate plot and therefore qualifies as an urban plot where another villa can be built. This could be very interesting for a business like a B&B, ideal for tourist rentals. The villa has a total of 5 very spacious bedrooms and 3 bathrooms, connected by an interior staircase. There is a large living room with an open kitchen and a wood-burning fireplace. ...(Ask for More Details!)
