Traditional Villa in Altea Hills – Complete Privacy, Panoramic Sea Views – At the end of a quiet cul-de-sac in Altea Hills, this traditional villa occupies one of the most private positions in the development. There are no passing cars and no overlooking neighbours – only the sound of the hillside and the Mediterranean opening out below. The setting is what defines this house. Set into the foothills of the Sierra de Bernia and facing south, the villa looks out across the Bay of Altea from every principal room, with the sea holding the horizon from morning until the light goes. Behind the gates...(Ask for More Details!)
